Dear Recipient,

The Detroit Free Press recently reported that Loudons is constructing a new assembly plant near Gary. I would like to apply for a position as a foreman in the new plant. I am a recent graduate of Midlands Community Collage in Detroit, with an Associates Degree in Industrial Engineering . In addition , I have worked for the past three years on a part-time basis while attending Midlands and now on a full-time schedule at Michigan Industries , Inc ., as a special- assignment worker. My duties required me to work closely with the plant foreman , general foreman , and plant supervisors and gave me extensive.

Warm regards,

Sincerely,
James . Nardinsk
