

Back to school Letter

Dear

[Warren S Poe],

Good Day!

I am so excited to have your child in class this school year. This year would truly be a fun and adventurous one. Before the classes officially start, I thought you might like to know a little bit about me as your child's advisory teacher.

In my five years of teaching at [Aramis Elementary school], I have already handled several classes, including the 2nd and 4th levels. This school year, I was assigned to handle the grade 3 student, and that including your child, Kendra. I enjoy teaching elementary student, and I make it my mission to help the student learn to appreciate and love learning.

I would love to keep an open communication with you for I believe this would help child's growth and learning. Please feel free to contact me at [briggsoneil@email.com] or [222-555-7777].

Regrads,

[Briggs Oneil]
