1. Career Objective

Creative and motivated Graphic Design graduate seeking an entry-level opportunity to apply design skills in branding, social media, and visual storytelling. Eager to contribute fresh ideas and grow in a dynamic design environment.

2. Skills

Design Tools:

- Adobe Photoshop
- Adobe Illustrator
- Canva / Filmi
- Adobe InDesign (if known)

Core Skills:

- Logo Design
- Social Media Creatives
- Typography
- Colour Theory

3. Projects

Brand Identity Project – Coffee Shop

- Designed logo, packaging, and menu layout
- Created a cohesive brand colour palette and typography system

Social Media Campaign – Fashion Brand (Concept)

- Designed 15+ Instagram posts and story templates
- Focused on modern and engaging visual style

Poster Design Series

- Created posters based on different themes (music, events, awareness)

- Practiced composition, hierarchy, and visual storytelling

4. Internship

Graphic Design Intern – XYZ Studio *(if applicable)*

- Assisted in creating social media posts and banners
- Learned client brief interpretation and revision process

. Education

Bachelor's Degree in Graphic Design / BFA / Any Relevant Course
College Name – Year

5. Certifications

- Graphic Design Course – Udemy / Coursera
- Adobe Photoshop Certification

6. Portfolio

Example:

Portfolio: www.behance.net/yourname

7. Additional

- Good communication skills
- Ability to work under deadlines
- Passion for creative trends and design

8. Important

- Your **portfolio matters more than your resume**
- Keep resume **1 page only**
- Use a **clean, well-designed layout** (show your design sense)
- Avoid fake experience—focus on real skills
- Add **2–3 strong projects instead of many weak ones**
