**Date:** May 31, 2026

**Subject:** Back-to-School Newsletter

Dear Parents and Guardians,

Welcome back to a new and exciting school year at Green Valley Public School! We hope you and your family had a safe and enjoyable summer break. As we begin this academic year, we are delighted to share important updates and information to help students have a successful start.

The first day of school will be **August 18, 2026**, and classes will begin promptly at **8:00 a.m.** Students are encouraged to arrive at least 15 minutes early. Please ensure that all required school supplies, uniforms, and completed registration forms are submitted before the opening day.

This year, we are introducing several new programs, including enhanced science laboratory activities, reading enrichment sessions, and after-school sports clubs. These initiatives are designed to support student learning, creativity, and personal growth.

Parents are invited to attend our **Back-to-School Orientation Night** on **August 14, 2026, at 6:00 p.m.** This event will provide an opportunity to meet teachers, learn about classroom expectations, and discuss the curriculum for the year.

We encourage families to stay connected through our school website, newsletters, and parent-teacher meetings. Working together, we can create a positive and productive learning environment for every student.

Thank you for your continued support and partnership. We look forward to a wonderful school year filled with learning, achievement, and success.

Sincerely,

**Mr. Gaurang Sawant**
